

Appendix A.1 Oxbus 2040 Feedback

https://forms.cloud.microsoft/Pages/ResponsePage.aspx?id=2jld8Owm6k6465_xpoLV5W-LyEsf3SdCIKNn0f44UwZUQVJVRzUzUjRMQ1RNSFJWNzdUM0VCVk5YTS4u

We have been asked to give our feedback on the following:

1. Which of these aspects of bus services in Oxfordshire do you think are currently **working well**? Select up to 5
2. Which of these aspects should be the highest **priorities for improvement** by 2040? Select up to 5
3. If you could write one sentence for the OxBUS 2040 Plan, what would it say?
4. Any further comments

Aspects to consider

-  Coverage and destinations served
-  Frequency and operating hours
-  Reliability
-  Journey times
-  Value for money and affordability
-  Ticket and payment options
-  Ease of use and simplicity
-  Information and journey planning
-  On-board experience and comfort
-  Accessibility
-  Safety and confidence
-  Quality of the waiting environment (e.g. bus stops)
-  Integration with rail, walking, cycling and other transport
-  Environmental impact, including carbon emissions
